Overview of Resources

This list is a compilation of the tools and resources available within the Access Network. Agents may use all of these unique value offerings throughout their career with Access.

Resource	What it is...	What it solves...
 	Real estate brokerage HQ in Scottsdale, AZ with offices all over Arizona.	Gives agents, particularly growing teams, a place to operate seamlessly across the state.
    	Every title company we have is constructed as a Joint Venture in which our agents can participate as an owner.	Compliant revenue opportunity in the title business for productive agents.
	Access gives agents the ability to enter into Marketing arrangements with our lender or run their own mortgage sub-branch.	Stand up a legitimate, compliant mortgage business that runs alongside your real estate business without the need of licensing.
 	A home warranty that covers major systems and appliances like HVAC, plumbing, and electrical, with high claim limits and 24/7 support.	By utilizing Arizona Home Warranty agents limit their own E&O exposure by cutting their deductible in half in the event of a suit. In addition, select agents who have grown their business have the opportunity to earn a compliant, ongoing referral fee on renewal warranty business.
